PATIENTS RESPONSIBILITY FOR PAYMENT

In order to reduce confusion and misunderstanding between our patients and the practice, we have adopted the following financial policy. If you have questions about the policy, please discuss them with our business manager. We are dedicated to providing the best possible care and service to you and regard your complete understanding of your financial responsibilities as an essential element of your care and treatment.

Baker Allergy, Asthma & Dermatology will submit charges for medical treatment to the patient’s insurance company and where applicable, to Medicare. However, the patient is primarily responsible for paying any and all medical expenses incurred at the clinic.

Baker Allergy, Asthma & Dermatology does not verify in advance the patient’s insurance. Patients should contact their insurance companies directly for any coverage questions they may have. If the insurance company denies payment or will only pay a portion of the medical bill, the patient is responsible for payment of the account balance. Likewise, if the patient has not met his or her deductible under a given insurance plan, the patient will be responsible for the amount of the deductible and whatever amounts the insurance company does not pay.

If the patient participates in an Oregon Health Plan program, the patient will be responsible for notifying the office at the time of service. If the patient participates in Washington DSHS, the patient will be responsible for all services. Baker Allergy, Asthma & Dermatology does not accept Washington DSHS.

Baker Allergy, Asthma & Dermatology does not treat worker’s compensation injuries or illnesses. If the patient is involved in a motor vehicle or liability accident, the patient is responsible for paying all medical costs even if there is a pending lawsuit.

If the patient participates in a plan that requires co-payment, the patient must pay the co-payment at the time of the appointment.

Contractual Agreement to Pay Medical Expenses

I understand that I am personally responsible for all medical expenses incurred at Baker Allergy, Asthma & Dermatology for medical care and treatment. I agree to pay all medical expenses within 90 days of the date those expenses were incurred.

Patient Responsibility (Disclaimer)

I understand that my insurance plan may require a referral from my Primary Care Physician in order to cover the visits to a Specialty Physician. If Baker Allergy, Asthma & Dermatology at this time has not received verification that a referral was obtained for services, and, if my insurance company denies payment, I agree that I will be financially responsible for any and all charges incurred (including lab and x-ray).

I hereby assign to Baker Allergy, Asthma & Dermatology any and all insurance benefits due me to the fullest extent of my financial obligation. I authorize them and the physician to release to the insurance company any information acquired in the course of my examination and treatment.

AUTHORIZATION TO RELEASE INFORMATION AND ASSIGNMENT OF INSURANCE BENEFITS: I hereby authorize Baker Allergy, Asthma & Dermatology to release to my insurance company any information acquired in the course of my examination or treatment. I also agree to full responsibility for all expenses incurred by or on account of myself or this patient and hereby assign to Baker Allergy, Asthma & Dermatology any and all insurance benefits due to the fullest extent of my financial obligation to said office.
